➤ WEB DEVELOPER, DISTON INFOTECH DEHRADUN

During my internship at Diston Infotech, I had the opportunity to work as a Web Developer, contributing to various projects and gaining valuable hands-on experience in the field of web development. My responsibilities included:

EMPLOYMENT HISTORY

INTERN (WEB
DEVELOPER), DISTON
INFOTECH DEHRADUN

*September 2023 - December
2023*

- Collaborating with senior developers to design, develop, and maintain responsive and user-friendly websites.
- Writing clean, efficient, and well-documented code using HTML, CSS, JavaScript, PHP, and other relevant technologies.
- Assisting in the implementation of new features and functionalities, ensuring compatibility across different browsers and devices.
- Troubleshooting and debugging issues to ensure optimal performance and usability of web applications.
- Adhering to project timelines and delivering high-quality work within established deadlines.
- Writing clean, efficient, and well-documented code using HTML, CSS, JavaScript, and other relevant technologies. This experience allowed me to enhance my technical skills, problem-solving abilities, and understanding of web development best practices.
- I also had the opportunity to learn from experienced professionals in the industry, receiving valuable feedback and mentorship that helped me grow as a web developer. Overall, my internship at Diston Infotech provided me with a solid foundation in web development and fueled my passion for pursuing a career in this field.
